Naugatuck Valley

Community Corporate Cup

2017 CORPORATE CUP REGISTRATION FORM

The Community Corporate Cup is a collaborative effort of the Valley YMCA, Valley United Way, Greater Valley Chamber of Commerce and Griffin Hospital designed to improve fitness and quality of life while building company morale and showing community support.

The Corporate Cup is open to companies located in the Valley communities of Ansonia, Beacon Falls, Derby, Oxford, Seymour & Shelton. Your company can register by event (see below for pricing) or the most cost effective way is to take advantage of the ***Flat Rate Registration*** *which entitles your company to one team in every single event (excluding the Walks, Cycling, and 5K Road Race).* The cost is only $545 – a savings of $30 compared to separate event registrations.
