

Help Us Build Strong Kids For only \$29

All around us we see images of children in need. These needs come in many forms - food, clothing and shelter, to guidance and support. Whatever the needs, the YMCA is committed to improving the lives of children and their families in our communities by providing safe places, caring and trained staff and programs that teach life skills. I would like to present the [YMCA STRONG KIDS CARD](http://www.strongkidscard.org). The purchase of this card will allow us to continue to provide services, camps and scholarships for kids who, due to financial situations, may not have the opportunity to participate in various programs.

We can only reach our goals with your help!

The [YMCA STRONG KIDS CARD](http://www.strongkidscard.org) is not like any other card or discount programs you have had experience with. This card is accepted NATIONWIDE by national and local businesses that you use every day. If your Grandparents live in Cleveland, they can use the card. If your Aunt or Uncle live in Seattle, they can use the card. Traveling to Orlando, you will want this card.

For instance, buying movie tickets; get 30-50% off at any theater all year long as many times as you like. Take a family of four to the movies, you'll spend \$48 on tickets. With the [YMCA STRONG KIDS CARD](http://www.strongkidscard.org) you would pay only \$24 (discount varies depending on theater). Going to your favorite restaurant or ordering a pizza for home, check out the growing number of restaurants that accept the card. Go to Six Flags Magic Mountain for up to 64% off the gate price! Processed through FUNDAZ, the leading fundraising company in the country, this card has an 82% renewal rate by our cardholders.

How do you get one? Just click here <http://www.strongkidscard.org> and click the "buy one now" button at the top of the page or call for more information.

Thank you for supporting our program.

In Health,
Dawn Dalrymple, Executive Director
