

CAMP BADAKOOKALA ADVENTURERS CAMP CLUBHOUSE SUNSHINE CLUB

Registration for Camps begin February 9 Camps will begin June 28

YMCA Camp Badakookala

YMCA Camp Badakookala is a structured and safe values based summer day camp that offers something different for children of all ages. Every child swims twice a week, goes on one field trip each session. They also participate in arts and crafts, sports, and a service project. Check out our age group descriptions below for more information about what your child will enjoy during their time with us.

What Makes Us Different ?

Staff

We hire and train our staff to be mature, caring, and child focused. 80% of our staff is 18 or older, and we provide a minimum of 30 hours of high quality training for all staff members.

Summer Of Service

Our program is built on the idea that good values and service to others can be reinforced in a fun and safe environment. Our vegetable garden at the YMCA is an example of this concept. We take extra time on our swim days to help harvest and maintain crops of vegetables that we donate to local soup kitchens. Its just one way that we help promote caring, honesty, respect and responsibility in our campers.

Awesome Field Trips and Special Events

We work hard to make every session special with a variety of field trips and special events. Hiking, fishing, Beardsley Zoo, and Lake Compounce are just a few of the fun things we do, but I think every camper agrees that the best part of each week is National Popsicle Day!

New This Year

Morning Transportation from the YMCA to Jennings Elementary School

This service will be available for a \$25 per session fee for a maximum of 13 children.

Adventurers Age Group Split

The Adventurers age group will be split into two groups to provide better age appropriate activities for both. The two age groups will still take an extra field trip together.

Session Splitting

You may now split one of our two week sessions and send your child to one week if your summer schedule cannot accommodate a two week session. Please look under the "session splitting" column of the schedule on the next page.

Classic Camp

Badas: Entering grades 1+2

Arts and crafts and group games are emphasized here for our youngest age group.

Kookalas: Entering grades 3+4

Sports and more advanced crafts are emphasized for this competitive age group.

Adventure Camp

Pioneers: Entering grades 5+6

Small team tournaments and session long projects are the focus for this growing group. This group also joins the Adventurers for an extra field trip.

Adventurers: Entering grades 7+8

Teambuilding activities and service projects combine with outdoor adventure activities and an extra field trip.

Counselors in Training

Our C.I.T. program is for those entering grades 9 through 11 who have an interest in becoming counselors. CIT's receive training in crucial areas such as behavior management, activities and games, supervision, First Aid, and a variety of other topics. The training will be coupled with daily immersion, observation, and engagement with both school aged and preschool aged camp groups. Applicants should have a genuine interest in working with children and be prepared to fully commit to a minimum of 4 weeks in the program.
