

## LAKESWOOD-TRUMBULL YMCA 2017 Camp Tepee Bus Information

Please remember to register early, as space is limited on the camp bus. Please contact the camp with any problems concerning your child's bus. Our drivers try to maintain our schedules but delays due to traffic and construction may still occur. Please be patient if there is a delay in the arrival of the bus.

Advanced written notice is required for any change in transportation to and from camp (i.e. arriving late or early or leaving with someone other than a parent/guardian by car.) If you bring your child to camp late or are picking him/her up before the end of the camp day, you must sign in/out at the camp office.

Please be at your appropriate bus stop 5 to 10 minutes prior to pick-up/drop-off time.

Our first concern is the safety of your child. All children will follow our bus safety rules.

- Tell your child not to get off the bus if he/she does not see you.
- Make sure your child understands your transportation arrangements.
- Adults other than staff are not allowed on the bus.
