VOLLEY INTO SPRING

It's a great time for children to learn about the game of tennis at the Lakewood-Trumbull YMCA! The Y is serving up developmental tennis to current and new participants, ranging with Pee Wee participants to Intermediate players. Using the USTA QuickStart Tennis program, as well as conventional methods, our teachers are able to have fun with all ages while providing excellent instruction. Our two courts are located at our beautiful 47 acre Camp Tepee and Outdoor Center off Rt. 59 in Monroe, CT. Come grow with us!
