CENTRAL CONNECTICUT COAST YMCA

NEW HAVEN YMCA YOUTH CENTER

Our youth visited Lighthouse Point Park often this summer for fresh air, sunshine and of course, water, sand and shells!

Special Thanks

The YMCA Youth Center would like to extend a special thanks to Girl Scouts of America and Cooking Matters for bringing their programs to the Y free of charge this summer. These special programs helped the youth in our Summer Care Program learn important skills for healthy living.

We would also like to extend a special thanks to the anonymous donor who donated 60 brand new backpacks filled with school supplies for our youth. This generous and unique donation has given 60 youths some of the critical tools needed to start their school year off right.

As the leading nonprofit for youth development, healthy living and social responsibility, the Y relies on support from members, donors, volunteers and community leaders to make sure that our youth, regardless of age, income or background, have the opportunity to learn, grow and thrive. Thank you to our recent donors and volunteers.

Last year we brought you an exciting game featuring a last minute tie-making basket and overtime. Don't miss out on the action this year!
