# MY Y IS NOW EVERY Y IN NEW ENGLAND

## Another great reason to belong to the YMCA

The Y movement is for youth development, healthy living and social responsibility.

We want to encourage members to utilize the Y as often as they can. Sometimes, it's more convenient for members to utilize a Y in a different location when traveling, near a workplace or in another region.

Now, full facility/full privilege YMCA members have the flexibility to use other Y facilities throughout New England, at no extra charge.

### How It Works

Simply present your active YMCA membership card and photo ID at any participating YMCA and enjoy free access. See complete Program Details below.

## RECIPROCAL MEMBERSHIP PROGRAM DETAILS

The Reciprocal Membership Program is valid for YMCA full facility/full privilege members only. Program –only participants may upgrade to a full membership at any time to qualify. Silver Sneakers® members may use other Silver Sneakers® locations only.

Visitors to other Y's must present a valid photo ID upon their first visit and complete a visiting member waiver or standard membership application form with liability waiver.

Generally, there should be no restrictions on the number of times you may visit another Y as a reciprocal member. But if you do utilize a Y other than your home Y frequently, keep in mind that you must maintain membership at the Y that you utilize most frequently (if you utilize two Ys equally, you should join the Y where you reside). A small number of Ys have restrictions to some activities you might be able to participate in at that Y (i.e. Child Watch, cycling, or other programs due to capacity reasons). Check the host Y's website before visiting for any such restrictions.

## FAQ

### Who is eligible to participate in the New England Membership Reciprocity Program?

The program is for full facility/full privilege Y members (those holding adult, family or senior memberships) whose home Y is located in Massachusetts, Rhode Island, Maine, New Hampshire, Vermont and Connecticut.

### Does it cost extra to participate in this program?

No, all full facility/full privilege members may participate at no additional charge. The reciprocity program is intended to be an added benefit and convenience for members when visiting other communities. You need to maintain a full facility/full privilege membership at the Y you visit most frequently.

### How will I know if there are any restrictions and what they are?

Please visit the website of the Y you would like to visit. All Ys will have updated information posted on their website.

### Does this replace the "Always Welcome at the YMCA" (AWAY) program?

No, the AWAY Program is still in existence and many Ys across the country participate in this program. The AWAY Program may be helpful to those members who are traveling outside of New England or for members outside of New England visiting New England Ys.

### What do I need to bring to verify that I am a current Y member?

You must bring your current membership card and a photo ID (i.e. driver's license) in order to utilize another Y. By providing both of these items the staff at the visiting Y will be able to verify your current Y membership.

### Do I need to sign anything?

As a reciprocal member visiting another Y you will need to agree to abide by all of their rules and regulations. You will likely be asked to sign a liability waiver and/or other document outlining that local Y's policies and procedures.

### Can I sign up for a program at another YMCA?

For purposes of program registration (i.e. swimming lessons, camp, child care etc.) you would be considered a non-member and would pay the corresponding non-member rate.

### How often can I use one of these YMCAs? Are there any restrictions on what I can do at a particular YMCA?

Generally, there should be no restrictions on the number of times you may visit another Y as a reciprocal member. But if you do utilize a Y other than your home Y frequently, keep in mind that you must maintain membership at the Y that you utilize most frequently (if you utilize two Ys equally, you should join the Y where you reside). A small number of Ys have restrictions to some activities you might be able to participate in at that Y (i.e. utilization of Child Watch, cycling, or other programs due to capacity reasons). Check the host Y's website before visiting for any such restrictions.
