2012 DAY CAMP

OUR IMPACT

This year, 21 million people, nearly half of them kids—will come to the Y to learn, grow and thrive.

We believe the values and skills learned early in life are vital building blocks for quality of life.

Your child can discover his or her potential this summer at our summer camp! Our camp can help a child overcome fears and learn skills to enhance his or her life. Our young campers receive swimming lessons, not just to learn to swim, but to have the skills to remain safe in and around water. Cooperative games and activities allow kids to both thrive as leaders and work together!

We build memories together that will last a lifetime.

At the Y, kids learn to share, learn about sportsmanship, and most importantly, learn how to be themselves. That makes for confident kids today and contributing and engaged adults tomorrow.

The Y makes strengthening our community our cause. Through the generosity of our members and community every kid, regardless of income or background, has an opportunity to learn, grow, and thrive at the Y!

Together, we make a difference.

SHORELINE CAMP

We strive to develop the character value of our young campers in a fun and nurturing environment. Each day, the caring and creative Day Camp staff provide a safe and enriching program for every camper at our new beautiful site! With field games, arts & crafts, swimming, and more, the summer will fly by. A variety of activities and options for camper choice keep our Day Camp exciting. Whether your camper comes for a week or for the entire summer, they are sure to make memories that will last a lifetime!

STAFF

At the Soundview Family YMCA we take great pride in our staff. The majority of the camp counselors and directors are school teachers or college students majoring in education. The YMCA character values of caring, honesty, respect and responsibility are the values that every one of our dedicated and nurturing staff members possess!

NEW for SUMMER 2012 – HIGH ROPES & MORE

We have made some enhancements to this summer's program. Special events will take place every week that align with the theme of the week. Our High Ropes elements include a zipline and flying squirrel. FREE DRIVE THRU drop-off and pick-up will also be offered again this summer for the convenience of all.
