The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of “us” is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That’s why the Y passionately focuses on strengthening communities.

Every day, the Y strengthens communities for kids, adults, seniors and families with programs that protect, teach, connect, heal, nourish and encourage. It’s how we help communities and the “us” who live in them find the power of their full potential.

We can’t do it alone.

DONATE FOR A BETTER US.

The Y. For a better us.

YOUTH DEVELOPMENT

STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime.

All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family's busy schedule. Have questions? Please refer to the Swim Page of our web site, call the Y or speak with anyone in our Aquatics Department or on our Member Services Team.

*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.

SWIM STARTERS

STINGRAYS SWIM TEAM

Offering a stimulating, enjoyable program that stresses stroke technique, starts, turns and basic training, we measure success not in terms of one or two extremely successful swimmers, but in the measurable improvement of all our swimmers. Our members become the best swimmers they can be, by improving their physical skills, developing self-confidence and self-discipline, and an appreciation for the way that they and their teammates can help each other attain their goals through teamwork and mutual support. We practice from mid-September to mid-March and early April to late July.

YMCA Facility membership is required in order to participate with the Stingrays. Membership must be active and valid during the entire duration of the registered season.

Nourish your spirit, rejuvenate your body, and enliven your mind! Enjoy an introduction to Yin Yoga, on the philosophy and health benefits of Yin and then the magic for yourself! Please join me and get to know your inner emotional with a feeling of calm and energy. The asanas combined with deep, focused breathing encourage you to tune in and listen to your body and surrender to your feelings rather than trying to push them down or control them. Poses are held between ten breaths and ten minutes, to liberate the body's chronic holding patterns and relieve pain, helping you to recapture some of the ease and freedom of movement you used to have as a child. One of the most potent ways to cultivate the body's subtle energy, Yin enables you to heal yourself, move negative emotions out, prevent injury and find a deep sense of peace in your body, mind and spirit.

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

ALWAYS WELCOME IN EVERY COMMUNITY

NATIONWIDE MEMBERSHIP:

At the Y, we are for youth development, healthy living and social responsibility. We are dedicated to ensuring our facilities, programs and services are open and welcoming to all. As part of this effort, we are proud to offer our members access to YMCA facilities across the United States that participate in Nationwide Membership. This way, our members can use the Y as often as they like, making it easier to achieve their health and wellness goals.

ALWAYS WELCOME

Nationwide Membership enables you to visit any participating YMCA in the United States through membership at your "home" YMCA (your home Y is the local association that enrolled you as a member and collects your membership dues). We offer this because we want to help you reach your health and wellness goals wherever you live, work or travel. This is an essential part of our mission to strengthen communities.

IN EVERY COMMUNITY

We understand that sometimes it is more convenient for members to take advantage of a Y near their workplace or when they are traveling outside the area of their home Y. With Nationwide Membership, members have the flexibility to use participating Y facilities throughout the United States at no extra charge.

WHAT YOU NEED TO KNOW

- Nationwide Membership is valid for active, full facility Y members whose home Y participates without restriction or blackout periods
- Nationwide member visitors must use their home Y at least 50% of the time
- Program-only participants (including Silver Sneakers, Silver and Fit or other like programs) are not eligible for nationwide membership
- Special memberships established by any Y for group homes, other agencies, etc., are not eligible
- When visiting a Y, nationwide members will be required to show a valid YMCA membership card and photo ID as well as provide basic membership data such as name and email address
- Members will need to sign a universal liability waiver and privacy policy
- Ys should allow nationwide members access to services typically offered to full-facility members. Check with the Y for schedule and availability. Nationwide members visiting other Ys for a period greater than 28 days must transfer membership affiliation for continued use
- All Ys reserve the right to restrict or revoke these privileges
- Registered sex offenders are prohibited from participating
