Unfortunately, in times when the true power of “us” is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That’s why the Y passionately focuses on strengthening communities.

Every day, in our community the Y supports kids, adults, seniors and families with programs that protect, teach, connect heal, nourish and encourage. Everything we do helps empower communities and the “us” who live in them to thrive.

We can’t do it alone.

YOUTH DEVELOPMENT

STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime.
