The Y is now...as it has always been...a place of possibility and promise for all. Unfortunately, in times when the true power of “us” is unknown to many and our bonds are fraying, we must do even more to enhance our human connections. That’s why the Y passionately focuses on strengthening communities.

Every day, the Y strengthens communities for kids, adults, seniors and families with programs that protect, teach, connect heal, nourish and encourage. It’s how we help communities and the “us” who live in them find the power of their full potential.

We can’t do it alone.

DONATE FOR A BETTER US.

The Y. For a better us.

YOUTH DEVELOPMENT

STRONG SWIMMERS = CONFIDENT KIDS

For more than 160 years, the YMCA has nurtured potential and united communities across America to create lasting, meaningful change. Everything the Y does is in service of building a better us. One of the most effective ways to accomplish this is to teach youth, teens, and adults to swim, so they can stay safe around water and learn the skills they need to make swimming a lifelong pursuit for staying healthy.

Our Y swim instructors are nationally certified. Their training includes CPR, AED, First Aid and Oxygen Administration. Swim lessons provide important life skills that could save a life and will benefit students for a lifetime.

All ages - from infants to seniors - can learn to swim at the Y. Check out our class offerings to find one that fits your family's busy schedule. Have questions? Please refer to the Swim Page of our web site, call the Y or speak with anyone in our Aquatics Department or on our Member Services Team.

*At the Y, we know families take a variety of forms. As a result, we define parents broadly to include all adults with primary responsibility for raising children, including biological parents, adoptive parents, stepparents, grandparents or any type of parenting relationship.

SWIM STARTERS
